Men's Club Tournament 2017

CALENDAR CORRECTIONS

There are a couple dates on the calendars that need to be corrected.

August 13th – Ryder Cup

Calendars are available in the clubhouse.

***Please use the calendar on the website for the most up to date information.**

Please remember to stop in the clubhouse and sign in! We use this information in a variety of ways! Parents, please remind your kids to do this as well!!

There are several Cart Shed spots open – Please contact the clubhouse if you are interested!

- **If you have not yet paid your dues, please contact the clubhouse to make arrangements. Dues were due May 31st!**

To increase participation in the Men's Club Tournament, we are going to try a new format. In the past, the tournament has been held as a one day. This year we will hold the tournament from NOW until August 23rd. You can choose to play your 18 holes at any time. You may play your 18 all together at one time or you may play 9 and play your 2nd 9 on a different day.

All you need to do is declare before your rounds and sign and date your card with a witness when you are done.

On August 23rd, all scores will be flighted and a Championship Round will be played August 26th at 9am. The Champion will be determined by the 27-hole total. Flights will be determined by the number of entries; the committee will try to keep flight numbers around 7 or 8. The Championship Round will come from top scores and ties in the first flight.

Tournament Rules

- Must declare before you play your round
- Entry fee must be paid when you declare (\$15)
- All Entry Fee money will be paid out in prize money
- White Tees for 1st 18 holes, Blue Tees for Championship Round
- No "Gimmes"
- Ball will be played down in the rough
- Winter Rules in your own fairway
- Score card must be signed and dated by yourself and a witness

Out with the old and in with the new!

If you haven't seen out behind the clubhouse yet, it is time to check out the new cement! A huge THANK YOU goes out to C&C Concrete for all their hard work! It is a wonderful upgrade to the clubhouse!
